HEARING DIVISION

Docket Numbers      **WS-20794A-11-0279 WS-20794A-11-0140      SW-20851A-12-0226**

Judge Harpring,

I spoke at the hearing regarding the sewer provider for Emerald Springs HOA on July 23, 2013.

I spoke about the HOA not having a meeting to get homeowners input since Nov. of 2011 and the Board's misrepresentation of the issue to the homeowners. They insinuate that if all the homeowners contact the ACC stating they do not want a rate increase that Emerald Springs will not receive a rate increase.

You asked me if I could provide you with the emails from the Board. I have been trying to do so but have been unable to get them on EDocket. I then sent in 13 copies to the Corporations Commission but they said I had to send them out to all 13 parties involved.

I have advised the people trying to help me at the ACC that you had not requested these be part of the evidence, you simply wanted to know if I could supply you with copies of these emails.

I am again trying to comply with your request. I do not feel I need or should supply all parties involved in this action with these documents as you did not indicate that is what I should do. I have enclosed the two emails from the Emerald Springs HOA Board to all homeowners in Emerald Springs requesting they contact ACC because "If we do not respond, the ACC will recommend a rate increase."

I hope that this attempt to comply with your request will get through to you.

Sincerely,

Sherri Mehrvar

Dear Members of Emerald Springs,

The Arizona Corporate Commissions, ACC (staff), is recommending tripling our sewer our rates. In an effort to retain our current rate, the ACC (staff) needs to receive feedback from the members of Emerald Springs. This is an opportunity to let our voices be heard and do what we can to keep our fees at a minimum.

Please take a moment to fill out the attached form so we can show the ACC (staff) that we do, in fact, care about our community. If we do not respond, the ACC will recommend a rate increase. **It is imperative that we show them we oppose a rate increase.**

Once you have filled out the form, please sign and return to Ronda Davidson no later than Wednesday, March 27, 2013 either by email, [estreasurer@aol.com](mailto:estreasurer@aol.com) or fax, (760) 922-3340.

Thank you in advance for your support.

The Board.
